

Matrix_Multiplication

```
graph TD; A[Matrix_Multiplication] --> B[Multiply]; B --> C["Multiply*L1"]; C --> D["Multiply*L2"]; D --> E["Multiply*L3"];
```

A vertical flowchart illustrating the steps of matrix multiplication. It consists of five rounded rectangular boxes connected by downward-pointing arrows. The boxes are labeled: 'Matrix_Multiplication', 'Multiply', 'Multiply*L1', 'Multiply*L2', and 'Multiply*L3'.
